

A welder wearing a green protective jacket, a red and black plaid helmet with a clear face shield, and gloves is working on a metal table. Bright sparks are flying from the welding point. The background is a blue wall with a diamond plate pattern.

# AQUA SHIELD

**FIRE RETARDANT  
DUST FREE  
PROTECTION**

**♻️ AQUA SHIELD™ ULTIMATE SURFACE PROTECTION** Used for covering any surface during the manufacturing, building and repair processes. With its quadruple duty protection, Aqua Shield is fire retardant, leakproof, slip resistant and durable. It also provides dust-free protection and can be recycled once you're finished with it. Initially, this product line may seem more expensive than traditional surface protection products, but when its superior features are taken into consideration, these products truly become a better value.

**FEATURES INCLUDE:**

- Quick and easy to install, dramatically cutting labor costs—the 6' wide 25 mil product is equivalent to 33 sheets of Masonite or other 4' x 8' board products
- Leakproof and holds up to severe weather and elements—ideal for indoor or outdoor projects
- Provides dust-free protection unlike paper and board products—ideal for healthcare and clean room environments
- Durable and Reusable
- Slip Resistant
- Flame Retardant—tested and certified to NFPA-701 Test Method 2
- Helps you qualify for LEED points for its reusability and recyclability

| ITEM # |                              | UPC             | PACK | PALLET    | SIZE      | SQ FT |
|--------|------------------------------|-----------------|------|-----------|-----------|-------|
| 87015  | 10mil Aqua Shield Runner     | 0-47034-87015-5 | 4    | 48 cs/plt | 36"x15'   | 45    |
| 87100  | 10mil Aqua Shield Protector  | 0-47034-87100-8 | 1    | 42/pallet | 36"x 100' | 300   |
| 87010  | 10mil Aqua Shield Protector  | 0-47034-87010-0 | 1    | 16/pallet | 36"x393'  | 1,179 |
