## Revolutionary Surface Technology

### REVOLUTIONARY PROTECTION

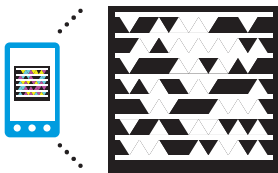

Our New CX3 Revolutionary Surface Technology is the newest member of our innovative surface protection line. This pressure sensitive tacky film works on any surface and leaves absolutely no residue. We like to think of it as the protect all film of the century! With no adhesive added to the film, there is no risk of leaving it on too long. It works on a variety of surfaces including granite, stone, hardwood, carpet, tile, glass, laminate and more. This all purpose film can be used on any jobsite and is repositionable for longer use. So, in essence, it will cover all areas of the jobsite; floors, walls, counter tops, windows, walkways, carpet, just about anywhere you can think to use it, CX3 will work!
