THE PROFESSIONAL'S CHOICE

ProPerfect™ Premium Rags are designed to be the perfect size for painters. Each rag is cut to a consistent size of 18x18 inches and packed by count, not by weight. Unlike most boxes of ordinary rags, you'll find no scraps with ProPerfect. Every piece is usable, giving you more rags for your money. ProPerfect Premium Rags are 100% cotton new t-shirt material and are prewashed, super absorbent and low-linting. Simply the best rag you can buy, ProPerfect Rags are great for any job, especially staining, polishing and cleaning.
