LEAK RESISTANT!
SLIP RESISTANT!

PREMIUM LEAKPROOF DROPCLOTH

225% more slip resistant and 20% more drapable than 10oz canvas, the Eliminator gives you leakproof protection that stays put where you place it. Make sure to use the coated side down. Professional grade, crack-resistant butyl works well in hot or cold temperatures, never sticking or cracking. Reduce messy clean ups by protecting your jobsite with the Eliminator.

ITEM NO.	PACK	SIZE
80321	6	2.74m x 3.66m (9'x12')
80322	4	3.66mx4.57m (12'x15')
80327	12	1.22mx3.66m (4'x12')
80328	12	1.22mx4.57m (4'x15')
