X•BOARD PAINT + REMODEL

PERFECT FOR YOUR PAINT AND REMODEL JOB

The lightweight, but tough alternative for surface protection. X•Board is breathable to allow floors to continue the curing process. This easy-to-use board lays flat when rolled out and our Spill Block® technology ensures no paint, mud or water will get through to your surface. X•Board will last for the duration of the job and features our innovative liquid-resistant technology. Proudly made in the USA.
