4-IN-1 BUCKET HOOK

4 USES, 1 AMAZING TOOL!

SuperTuff Select's new 4-in-1 Bucket Hook is more than your average pail hook. Not only is it a secure way to hang your 1 gallon paint pail from your ladder on the jobsite, it also features a flathead screwdriver for removing wall plates, a paint pail opener and a swivel clamp to allow for a rotating bucket. Our exclusive easy-lift finger loop allows for simple attachment and movement up and down your ladder. Plus, it serves as a convenient holder for a rag. What more could a painter want?
