

RED POLYETHYLENE TAPE 7 MIL

SURFACE PROTECTION SEAM TAPE

 **TRIMACO**

RED POLY TAPE

Made with a polyethylene backing and rubber adhesive, this tape is great for various applications and surfaces. Our red tape is easy to work with and ideal for seaming surface protection products together. It can also be used to create a water resistant seal for stucco applications, or to hold up plastic sheeting. This durable, heavy duty seam tape has serrated edges for easy tearing.
