RESISTANT**

REPOSITIONABLE

STAY PUT[®] SURFACE PROTECTOR

THE EASILY ADHERING + REPOSITIONABLE SURFACE PROTECTION ROLL

Trimaco's Stay Put Surface Protector provides high tech surface protection. It's breathable yet leak-resistant, allowing expensive hardwoods and grout to continue the curing process. The cushioned roll provides impact resistance on the job. The pressure activated tacky backing provides slip-resistant protection perfect for stairs and tiled walls. Clean off dust for best adhesion. Stay Put Surface Protector is repositionable and doesn't leave residue upon removal. Econo (white) non-breathable, lighter weight version also available.
