AQUA
SHIELD
FLAME RETARDANT
DUST FREE
PROTECTION

TRIMACO

♻ **AQUA SHIELD® ULTIMATE SURFACE PROTECTION** Used for covering any surface during the manufacturing, building and repair processes. With its quadruple duty protection, Aqua Shield is flame retardant, leakproof, slip resistant and durable. It also provides dust-free protection and can be recycled once you're finished with it. Initially, this product line may seem more expensive than traditional surface protection products, but when its superior features are taken into consideration, these products truly become a better value.

FEATURES INCLUDE:
- Quick and easy to install, dramatically cutting labor costs—the 6' wide 25 mil product is equivalent to 33 sheets of Masonite or other 4' x 8' board products
- Leakproof and holds up to severe weather and elements—ideal for indoor or outdoor projects
- Provides dust-free protection unlike paper and board products—ideal for healthcare and clean room environments
- Durable and Reusable
- Slip Resistant
- Flame Retardant—tested and certified to NFPA-701 Test Method 2
- Helps you qualify for LEED points for its reusability and recyclability

ITEM #		UPC	PACK	PALLET	SIZE	SQ FT
87015	10mil Aqua Shield Runner	0-47034-87015-5	4	48 cs/plt	36"x15'	45
