TRIMACO®

X-BOARD™

20mil

Heavy Duty Surface Protection

Trimaco's X-Board® is designed to work as hard as you do. At 20mils thick, X-Board® is 2.5X thicker than builder's paper – delivering tough, impact and leak-resistant performance you can rely on. Spill Block® technology helps the board resist paint, mud and whatever else the job throws down, while the breathable design keeps curing floors protected. Proudly made in the USA, Trimaco's X-Board is protection the trades trust.
