X•BOARD PAINT + REMODEL

PERFECT FOR YOUR PAINT AND REMODEL JOB

The lightweight, but tough alternative for surface protection. X•Board is breathable to allow floors to continue the curing process. This easy-to-use painter board lays flat when rolled out and our innovative liquid repellent Spill Block® technology ensures no paint, mud or water will get through to your surface. 2.5 times thicker than builder's paper, X•Board will last for the endurance of the job. Proudly made in the USA.
