STAY PUT® CANVAS PLUS

PREMIUM CANVAS DROPCLOTH

300% more slip resistant than 8oz canvas, the Stay Put® Canvas Plus gives you leak-resistant protection that stays put where you place it. The dropcloth consists of three layers—absorbent canvas, leak-resistant plastic, and a durable non-slip backing. Use the canvas side up to keep tracking to a minimum. Reduce messy clean ups by protecting your jobsite with the Stay Put® Canvas Plus.

*ASTM D1894-14 Static Coefficient of Friction tested on wood laminate flooring.
