

COMPLETE SURFACE PROTECTION

COUNTER TOPS, WINDOWS & HVAC

PROTECTIVE FILM FOR COUNTER TOPS

Keep counters protected from scratches and stains on your next jobsite. This blue tinted film is easy to install and remove. Perfect for use during fabrication, shipping, delivery, installation and after installation to keep the countertops looking new until all work is completed.

Item# 88124	1/case	24"x600'
-------------	--------	----------

PROTECTIVE FILM FOR WINDOWS

Protect both window glass and panes during installation, painting, construction, stucco application, remodeling and demolition. This self-wound film is perfect for both indoor and outdoor jobs, and is easy to apply and remove without leaving a tacky residue. Reduces cleaning and scraping at the completion of the construction process, saving you time and money.
